

WE ARE HIRING A PROJECT MANAGER

Take advantage of this opportunity to join one of Simcoe County's largest ICI Plumbing & Mechanical companies as a Project Manager. In operation since 2006, our focus is on providing an amazing experience for our clients, while maintaining a fun, family-like and rewarding environment for our team members. Working in Simcoe County, our team spends their time doing more of the things they love, rather than sitting in highway traffic.

THE SUCCESSFUL CANDIDATE BRINGS THE FOLLOWING TO THIS OPPORTUNITY:

- 5+ years Plumbing/Mechanical installation experience
- 3-5 years successful Project Management experience
- Strong knowledge of Estimating
- Working knowledge of current building code and installation practices
- Excellent coordination skills
- Excellent troubleshooting skills
- Strong communication skills – written and verbal
- Positive team attitude
- Ability to establish and maintain positive relationships with suppliers, customers, subcontractors, internal staff, architects and engineers
- Takes ownership of their projects and is self directed
- Ability to press for on-time completion of project while maintaining positive relationships
- Demonstrated ability to manage multiple projects profitability
- Proficient use of current technology: Smart Phones, Productivity Apps, Text, Email, Create and amend documents in Microsoft Word, Excel, PDF, Internet
- Valid Driver's license & clean drivers abstract required
